## About Me

I am a 12 year, Southern Californian brand identity designer, graphic designer, and web creative. Effectively composing visual identities for companies and individuals of all sizes, and markets. I am a graphic problem solver, and strive to deliver the most effective solutions at the highest standards.

Additionally, I have a strong background in print design, marketing, offset printing, logos, and clothing. I operate under a company I created called Dreamlove Co. Providing, printed products, graphic design, marketing, and web design services. With continuous freelance clients of all different markets and sizes.
